A collection of handmade jewelry is displayed against a black background. In the upper left, a necklace of light purple beads hangs from a piece of driftwood, with a large, rectangular, multi-colored stone pendant. Below it, a pair of earrings with circular, intricate metal designs and blue and white floral accents are shown. To the right, a necklace of light blue and patterned stones is draped over a large piece of driftwood. In the foreground, several pieces of jewelry are arranged on smooth, grey stones: a pair of orange and blue earrings, a bracelet of blue beads with a wooden bead, and another pair of earrings with orange and blue stones.
