

# Lower Hudson Valley *Social Forum 2025*

Construyendo Comunidad | Community Building

*Sunday April 27, 2025*  
*White Plains Public Library*

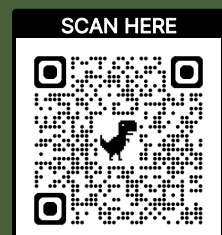

Join community organizations in Westchester & Lower Hudson Valley for a social forum to exchange ideas and information, foster solidarity, and celebrate our work to create a more just and equal society. We live in a time of struggle as we witness growing threats to the well-being of our planet and communities, as profit is placed over people and land, and corporations, not citizens, control our democracy.

**Yet, we, the people, have the collective power to organize a movement for change.** The Westchester Social Forum will provide the space to learn from one another, strengthen our organizing skills, and connect as a community.

- Workshops about: Immigration Solidarity, Housing Justice, Food Sovereignty, Palestine Solidarity, Solidarity Economy
- Tabling and networking opportunities from local groups and organizations
- Enjoy The People's Lunch, cultural performances and other activities

Stay tuned for art building opportunities starting in March
